How to Launch & Search in Static Snapshot Database

To Search:

- by name, call#, order number (M#), DBCN – search by **Keyword**
- by exact title – search by **Left Anchored Title**

Results will list all DRA invoice (suffix INV), DRA order (suffix ORD), DRA check-in (suffix SER), and LDMS records for that title > click [hyperlink](#) to select.

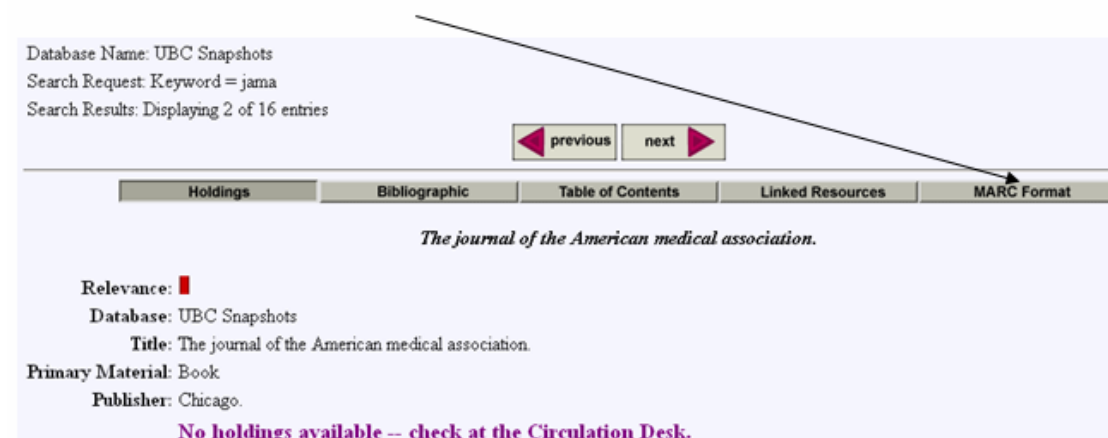

Note: Approximate date coverage -

- LDMS serial records coverage – up to 1996
- DRA serials coverage – 1996 to 2004

| # | Relevance | Title Long | Report Number | Date |
|------------------------------|-----------|---|----------------|------|
